Open either the **Google Play Store** or **Apple Store** on your device and search for “**OverDrive Media Console.**” **Download this free app.**

Open the APP. You will be asked to **create or log in with an OverDrive ID.** If you need to create an ID you simply need to provide an email address and create a password.

Once logged in you will be at the bookshelf section of the app. This is where your downloaded books will be stored. To get a book either tap the picture of a book with a “+” symbol or tap the OverDrive symbol in the left corner of the app and tap “**Add Library.**”

You will be presented with a search prompt for your library. **Enter your zip code,** this will search for nearby libraries. **Select Margaret E. Heggan Library** from the results. Tap the star icon for “South Jersey Audiobook and eBook Download Center” to save the library and then **tap the “South Jersey Audiobook and eBook Download Center” button** itself to enter the web page.

Log in by tapping “**Sign In**” in the upper right corner of the web site. Select the “**Margaret E. Heggan Library**” and enter your full library card number (no spaces). You should be brought back to the main page, and you’ll know if you’re signed in if the upper right corner of the site says “**Sign Out.**”

Tap the icon of a magnifying glass to bring up the Quick Search Bar. Use this, or **tap “Advanced Search”** under the Quick Search bar to search or browse materials.

When you find a book you want **tap it once** to reveal the borrow button. Tap “**Borrow.**”

If all of our digital copies are checked out: You will be able to sign up for a waiting list for the next available copy, and OverDrive will notify you via e-mail.

If a copy is available: You will be redirected to your Account page, **tap the “Download” button** next to the book and **select the file type** you’ll want. Tap “**Confirm and Download.**”

The item will be added to your bookshelf. You can navigate back to this by tapping the OverDrive icon in the left corner and then Bookshelf.
