4.1 Reservation of Meeting Room

The Library Board of Trustees of the Margaret E. Heggan Free Public Library welcomes non-profit organizations, community organizations, and government agencies engaged in educational, cultural, intellectual, or charitable activities to utilize the Library Meeting Rooms, as available. The library meeting rooms may not be used for commercial activities, by for-profit groups, or for personal functions. Use of the Library Meeting Rooms does not constitute Library endorsement of any policies or beliefs of any individual, group, or organization which uses rooms in the Library. Those who do not comply with the Library’s policies will be asked to leave the premises and may be restricted from using the room in the future.

Conducting Private/Commercial Business on Public Library Premises

The Margaret E. Heggan Free Public Library and its public areas are maintained to serve residents who visit to read and borrow library materials, attend Library cultural and educational programs, conduct research with support from Library staff, and utilize library resources and technologies. Students of all ages are encouraged to study quietly. It is critical to the Library’s mission that community residents are able to enjoy undisturbed use of Library public areas. Public areas are not available for private business transactions or meetings. The Library cannot be used as a temporary or permanent office for anyone not formally authorized as a current Library employee or volunteer. The Library and library grounds cannot be used for the solicitation or sale of goods or services.

Guidelines for Meeting Room Use

1. The Library’s peaceful environment and cultural and educational activities remain of primary importance.
2. The Library permits use of selected Library Rooms and Areas, provided that the Rooms/Areas are not needed for Library programs, and that access to the Library facility and its services will be undisturbed.
3. The Library does not discriminate on the basis of age, race, color, national origin, marital status, parental status, sexual orientation, gender identity, political ideology, creed, ancestry or the presence of any sensory, mental or physical disability, in choosing to make its premises available.
4. Each sponsoring organization is responsible for providing needed ADA accommodations, e.g. special assistive technologies, which are not readily available as a service of the Library.
5. To lessen outside noise, groups shall keep doors closed while their programs are in progress. Doors to the meeting room must remain unlocked at all times. The emergency exit door may not be used by meeting room attendees unless there is an actual emergency. The emergency exit door may not be propped open.

6. The library uses an automatic thermostat system and the temperature in the room cannot be changed by staff for groups using the meeting room.

7. Those using the room are permitted to use the lectern and the easels. The Library provides wireless access but is not responsible for technical difficulties or interruptions in network service. Those using the meeting room are not permitted to use the screen, projector, or the Ethernet port.

8. Use of Library Meeting Rooms is controlled under the authority of the Library Board of Trustees. The Board reserves the right to permit or deny any usage and may limit an Event’s frequency, duration or attendance, in the interest of the Library.

9. The Library reserves the right to cancel or relocate any scheduled meeting, if circumstances warrant.

10. The Library may limit or deny usage for groups larger than 75 people due to the space limitations of the meeting rooms.

11. The Library follows Township of Washington Policy in denying the right of any group to hold demonstrations, rallies or do any political fundraising on Washington Township public property or in Washington Township public buildings.

12. The Library does not permit outside groups to stage any “high-profile” media events, e.g. those which may attract news vans & cameras to the Library building and/or parking lot; such events disturb Library access and environment.

13. The Library may terminate any usage if conduct of any member or guest is disruptive or potentially harmful to any Library visitors or staff, or to the Library facility or to Library property.

14. Storage of goods cannot be accommodated and no items may be attached to the walls, doors, ceilings, or floors in or outside of the meeting room. Groups must provide their own office supplies. Any supplies in cupboards are Library property and may not be used.

15. The Library will not accept telephone calls for members of groups who are using the meeting room.

Any infraction of these guidelines may result in the loss of Library Room use privileges. Written appeals regarding usage issues will be reviewed by the Library Board of Trustees; their decision will be final.

**Liability**

1. The Margaret E. Heggan Free Public Library, Township of Washington, their agents and employees shall not be held responsible for any personal injury or personal property loss or damage, which may result during or due to Library use by a non-Library group.

2. The Library reserves the right to review details of each proposed Event, including but not limited to such aspects as Event safety, security and management, and may amend or deny any proposed use.
Publicity for Private Events at the Library

1. Proposed print advertisements or invitations, or related online publicity, must be submitted in advance to the Library for approval.
2. Publicity for events may not imply Library sponsorship.
3. Any publicity (print, online, other) which lists the Margaret E. Heggan Free Public Library name and/or address, must also include the following easily visible disclaimer: This Event Is Not Sponsored by the Margaret E. Heggan Free Public Library.
4. Publicity must include the organization’s own contact information, and may not include Library telephone numbers.

Conduct & Supervision

1. Please read the Safety Announcement (Page 5) at your event.
2. Conduct of meetings and events must be well governed, and participants are expected to respect library staff members and follow their directions at all times. Failure to do so may result in the library staff asking the group to leave the meeting room immediately.
3. All groups are expected to leave the room as clean and as they found it. Chairs and tables are provided by the library. Set-up and break-down of tables, chairs, and equipment is the responsibility of the group/organization. Only library staff are permitted to open or close the room dividers. Library staff will not provide assistance in setting up the meeting room. The library meeting room can accommodate a maximum of 75 chairs only or 48 chairs with tables when the full space is reserved. When reserving the left side of the meeting room (side with closet and emergency exit door), the space can accommodate 50 chairs only or 32 chairs with tables. When reserving the right side of the meeting room (at end of entrance hallway), the space can accommodate 25 chairs only or 16 with tables and chairs.
4. Excessive noise, use of hazardous or illegal materials, and smoking/tobacco products are prohibited at all times.
5. All participants must follow the Library Rules of Conduct at all times. However, food and beverages are permitted, but must be supplied, set up, and cleaned up by the organization. No sternos, open flames, or cooking is permitted on the premises. Please report any spills immediately. Alcoholic beverages are not permitted, unless by special advance exception by both the Library Board and Township Mayor and Council. Groups/individuals are responsible for any damages to the Library facility, and agree to pay costs for any extra cleaning or repairs necessary after their Event, through a maintenance fee.
6. On duty library staff members are permitted to be present at any and all meetings, or to enter the meeting room as needed, even while meetings are in session. Library staff members shall be permitted to interrupt meetings, as needed, to make any type of announcement pertaining to the policies and procedures of the library.
7. Those using the meeting rooms may not congregate in the hallway or in the library lobby for an extended period of time due to fire hazard issues and to ensure traffic flow.
8. The meeting room must be vacated one-half hour prior to the time the library closes. Failure to do so may be immediate grounds for not allowing future use of the room.

Failure to abide by these rules may result in cancellation and/or denial of future reservations.
