Celebrate “Be Nice to New Jersey Week”

The Margaret E. Heggan Free Public Library is pleased to present “The Jersey Joke: Its Long and Complicated History” on Wednesday, July 9, at 6:00 p.m.

Celebrate “Be Nice to New Jersey Week,” July 6-12, and join us for this entertaining lecture exploring the history of New Jersey, and why it is the butt of so many jokes. This program will be presented by Michael Aaron Rockland, Professor and Chair, Department of American Studies at Rutgers University. He is the author of 14 books, including four about New Jersey, and the recipient of numerous literary and teaching awards.

This program is funded by the Horizons Speakers Bureau of the New Jersey Council for the Humanities, a state partner of the National Endowment for the Humanities.

This program is free and open to everyone. Advance online or phone registration is required. Please go to EVENTS at www.hegganlibrary.org or call 856-589-3334 to register.

Library Seeking New Board Member

Would you like to be a part of the future of the library? We are currently seeking a volunteer to serve as a member of the Library Board of Trustees. The board meets on the third Wednesday of each month at 6:30 p.m. If you are interested, please visit our website or pick up an application in the library. The mayor of the township appoints library board members, as required by New Jersey state law. The primary function of the board is to determine library policies, rules and regulations.

There is a board vacancy because after seven years of dedicated service, Mr. Michael Allen resigned in order to pursue other interests. Under Mr. Allen’s leadership, without additional cost to taxpayers, the size of the library doubled. Mr. Allen was instrumental in making public library services a priority for Washington Township residents. He was also influential in ensuring that library customers were greeted with a welcoming and accessible entrance to the library. All those who had the privilege of working with Mr. Allen will miss his dedication, enthusiasm, and dependability.
