## DIRECTOR'S CORNER

We are extremely grateful that the Friends of the Library agreed to provide us with \$5,156 to replace our two early learning center computers in the children's library. These computers provide young children access to educational software that focuses on reading, math, science, art, music, and other subjects. Children will encounter familiar faces when using the software, including Diego, Dora the Explorer, Reader Rabbit, Sponge Bob, Sesame Street characters, and more.

The Friends of the Library exist solely for the purpose of supporting

the library. Their latest fundraiser, a costume jewelry sale, raised \$1,132. The next jewelry sale is scheduled for September 16, 17, and 18.

Please consider becoming a member of the Friends of the Library, shopping at the next jewelry sale, or buying books and other materials from the Friends sale room in the library.
