Summer is the ideal time to encourage children to maintain, as well as further develop, their literacy skills. It is also a great opportunity to encourage them to visit the library regularly. For these reasons, the Margaret Heggan Library is excited to launch its Summer Reading Program, which will kick off with a special interactive concert for 3-11 year olds starring “Two of a Kind” on Monday, June 29, at 11:00 a.m.

The library’s Summer Reading Program will revolve around the theme “Every Hero has a Story.” A wide range of programs and events will be held throughout summer including stories, crafts, music, food, animal heroes, magic, face painting, community heroes, and much more.

Online registration is required for each event and is limited to Heggan Library cardholders only. Registration for each month’s events begins on the last Tuesday of the previous month at 10:00 a.m.

Please see page 2 for more information about summer events.

“Some day you will be old enough to start reading fairy tales again.”

~C.S. Lewis

We’ve shifted our collection

You may have noticed that we have changed the location of some of our books recently.

Large print books are now located on the first set of shelves in the fiction section, closest to Delsea Dr.

Our New Jersey Collection is now where the large print books were, near the magazine area.

Non-fiction DVDs will be located by the computer lab and other DVDs.

While we are moving things around, some of the signs on the ends of the stacks may not be correct. Please ask for assistance if you need help finding an item.

A longtime member of our library staff retired at the end of May.

Micki Sullivan had worked at the library for 24 years.

Micki does not have one favorite memory from working at the library because each day was an adventure. She enjoyed meeting so many different and wonderful people—both adults and children. She enjoyed watching kids take out toddler books and then books for college, and then have some of them come back as parents.

Micki plans to catch up on all the projects she’s started and to start new ones. She would like to come back and volunteer at the library.

Micki says, “I’ll miss all the patrons and staff. This was the best job I ever had. It was almost like being at home. Thank you for the memories, laughter, and just being you. I’ll miss you all.”
