

Instructions for Downloadable Audiobooks *@ The Margaret E. Heggan Free Public Library*

Click on the link for free audiobook downloads.

The page that comes up will have the title South Jersey Regional Library Cooperative Audiobook Download Center at the top.

There are three categories listed: Always Available, Staff Suggestions, and New Arrivals.

For each category **click** on the link "complete list." The complete list of books available for checkout will be listed.

Click on the book title or the book cover. The record of the book will come up.

Click on Add to cart if you are interested in the book.

You can **click** on the link "Continue browsing" if you are interested in downloading more than one book or **click** on "Proceed to Checkout."

Click OK on the Security Alert.

Sign In – **Select** your library - Margaret E. Heggan Free Public Library.

Type your fourteen digit barcode number. **Click** Sign In.

Click on Confirm check out.

Click yes on the Security Alert.

The first time you download an audiobook you will have to **download** the Overdrive Media Console. You only need to download this software one time.

Click on Download Book.

When you are finished downloading, transferring and/or burning **click** Sign Out located in the left hand margin.
