## DIRECTOR'S CORNER

Congratulations to Jenna Rippman, who has been promoted into the FT Library Assistant position in the children's library. She previously worked at the library as a PT Library Assistant in the children's library from July 2016

through February 2020 and returned to the library in January 2021. During her time away from the library, Jenna earned an associate's degree in business administration from Rowan College of South Jersey, and gained an LLC for her baking business. Jenna is a graduate of Washington Township High School. We are ecstatic that she will be working at the library in a full time capacity as she brings smiles to the faces of children.
