We'll have fun events and programs all summer long!

Summer Reading Kick-Off

June 27 at 2:00 pm

Celebrate the start of summer reading with an event featuring the Center for Aquatic Science and their Oceans of Possibilities program.

With "Oceans of Possibilities" there is so much to learn. Patrons will dive into the world of oceans with the Center for Aquatic Sciences, learning about some of the unique creatures that call the ocean home. From narwhals to horseshoe crabs, this 45-minute program will engage learners of all ages!

Please register online, or by calling the children's library at 856-589-3334 ext. 223.

This event is restricted to Heggan cardholders only.

If Gloucester County reaches the CDC's orange zone for COVID cases, which is reflective of high transmission, masks will be required in the building.
