# Heggan Happenings

## MARGARET E. HEGGAN FREE PUBLIC LIBRARY NEWSLETTER

## Welcome Back

The entire staff of the library would like to welcome everyone back to the library. We missed everyone, but were happy to see everyone while we were providing curbside service and services by appointment.

At this time, we ask that visitors limit their time in the library to one hour and maintain a six feet distance from others. Patrons may now browse the collection and borrow materials,

use a computer, and get help with reference questions.

The meeting room and small study rooms, as well as seating in all areas of the library will not be available.

Visitors ages 2 and up must wear a face covering over their mouth and nose while in the library. Hand sanitizer is available at various locations throughout the library.
